

ELENA KRAYNEVA

MARKETING & BUSINESS ANALYTICS

+34 742 08 34 90 elena.d.krayneva@gmail.com [link](#) Barcelona | Spanish student visa

SUMMARY

Marketing and business analytics professional with hands-on experience in campaign performance analysis, funnel evaluation, and people analytics. Worked across marketing and HR data — analyzing CTR, CPA, and conversion metrics, building KPI dashboards, segmenting audiences, and identifying patterns in workforce datasets. Experienced in structuring data, generating insights, and translating findings into clear, actionable recommendations for stakeholders. Interested in roles where analytical thinking and attention to detail drive real marketing, business, or organizational decisions.

PROFESSIONAL EXPERIENCE

PERFORMANCE MARKETING ANALYST, DIGIFY ACTIVE

OCT 2025 – MAR 2026

Academic team project: B2B marketing agency for SME fitness businesses

- Conducted market analysis and defined positioning, pricing strategy, and target segment
- Built website and conversion-focused landing pages in HubSpot with lead capture and end-to-end funnel tracking
- Launched Google Ads campaigns (Search & Display) and performed keyword research and on-page SEO optimization
- Analyzed CTR, CPA, and lead conversion rates across channels; segmented audience data to optimize acquisition logic
- Evaluated full conversion funnel, identified drop-off points and formulated optimization recommendations

HRBP ASSISTANT – PEOPLE ANALYTICS & REPORTING, X5 DIGITAL

FEB 2025 – JUL 2025

Digital division of X5 Group, Russia's largest food retailer

- Analyzed workforce datasets (headcount, onboarding, attrition, leave) across 500+ employee records and developed KPI-based reports to support organizational decision-making
- Built structured presentations and dashboards summarizing key workforce metrics for HR leadership
- Processed 150+ manager inputs for talent review, improving data completeness and supporting insight generation
- Supported succession planning and talent review processes in collaboration with HRBP

HR SPECIALIST, EX-PWC RUSSIA (TECHNOLOGIES OF TRUST)

DEC 2023 – FEB 2025

Russian audit & consulting firm, successor to PwC Russia

- Developed structured Excel trackers to monitor contract approvals, onboarding, payments, and renewals across departments
- Coordinated cross-functional approval workflows for 40+ contractors monthly
- Analyzed 100+ workflow cases to identify bottlenecks and recurring operational inefficiencies
- Proposed workflow improvements to streamline approval cycles and reduce administrative iterations

EDUCATION

TOULOUSE BUSINESS SCHOOL (TBS EDUCATION) – BARCELONA, SPAIN

2025 – 2026

MSc Digital Marketing & Analytics

HIGHER SCHOOL OF ECONOMICS – MOSCOW, RUSSIA

2019 – 2023
